

INTRODUCTION

Nota Blu was born in Marbella, where the Mediterranean meets French elegance, and where every cocktail is designed as a journey of flavor and style. Our roots carry the lightness of the Riviera, the refinement of French savoir-faire, and the vibrant energy of the Spanish coast.

Doha is our new chapter. Here, in the heart of Qatar, we embrace the scents and colors of the souk: saffron, dates, rose, and spice. Each creation becomes a dialogue between cultures, weaving Mediterranean freshness with the soul of the Gulf.

This menu is not simply a list of drinks – it is an invitation to experience. Each cocktail is crafted to awaken the senses, to connect traditions, and to turn every sip into a story to remember. From Marbella to Doha, from the sea breeze to the desert winds, welcome to Nota Blu: Mediterranean Spirit • Souk Soul.
